1. [REDACTED] Comment. [REDACTED] the same source reported that these vessels took part in Chinese Communist naval maneuvers at Swatow between 8 and 13 September 1952. Sightings from merchant seamen visiting Swatow between October and December 1952 show Chinese Communist naval vessels to consist of one former 97-foot Japanese SC, 3 ML's, and a few armed junks. Reports from these seamen generally indicate there is no naval activity beyond the usual patrol crafts at Swatow. [REDACTED]
